RE: PETER MOJICA

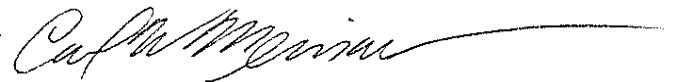

To Whom It May Concern:

This letter will certify that Peter Mojica was employed by the law firm of Sargoy, Stein & Hanft during the period September 1985 thru September 1987. The firm, now known as Sargoy, Stein, Rosen & Shapiro, performs specialized work within the entertainment industry, and serves as special counsel for the eight major motion picture distributors.

In his capacity as a statistical paralegal, Mr. Mojica assisted in the processing and analysis of large volumes of data for use in complex antitrust litigation. Mr. Mojica was responsible for creating and maintaining several computer databases, designing and preparing computer spreadsheets and generating various statistical reports and analyses. Mr. Mojica worked in a computer operating environment consisting of both DEC and micro platforms using PICK and DOS operating systems, respectively. In addition, he participated in system wide support which included the firm's word processing system. Mr. Mojica always carried out his tasks with a great deal of energy and enthusiasm, often in the face of severe time constraints and strict deadlines.

Mr. Mojica is bright, hard working, conscientious and works extremely well with his peers. He would be an excellent choice for a position in data processing or computer programming, and I recommend him highly.

Yours sincerely,

Carl W. Meinardus
